President's Message

I would like to wish all our teams a safe and happy season.

Our dedication to the families in our community is stronger than ever and we will continue to support them in every way we can.

We are always looking for ways to grow our contribution to the community and new members are a great way to do that. You will be welcome to attend a meeting and explore firsthand the opportunity. You will certainly feel the fellowship that comes from working toward common goals. It is a great way to share your talents and experience and to develop new skills and build friendships.

Good luck to your season.

Randy Bryden, President
