HALL RENTAL AGREEMENT

2025-2026

Social Instructions, Terms & Conditions

Social Instructions:

Prior to your social we will send you a door code for access. The timing will be dependent upon the activities in the hall leading up to your event. Generally, the hall will be available between noon and 2 pm. We will come to an agreed-on time a week before your event.

Once you get the code you will be able to come and go as you wish. You or someone from your party will need to be back at the hall by 7:30 pm to let our bartenders in as they do not know the individual codes.

When you get to the hall, you will want to get your beer into the beer fridge so that it is cold for the evening. You will notice a large double door cooler opposite the serving window that will be completely empty. Please load all the beer into this fridge in its cases sorted by varieties. We suggest you open enough cases to fill the two shelves of the beer fridge with beer cans, again please sort by varieties. Please do not open any more cases after this as our bartenders will open the cases as needed so that we can limit your waste. The hard liquor can be left in the boxes in the bar area, and our bartenders will open & display as well as pre-pour. You will also need to leave your liquor license so that we can post it during the social.

Please remember that absolutely no confetti of any kind is allowed in our building and that at no point are you to attach anything to the projector screen area on the south wall.

If you need a place to lock up your money, there is a lockable cupboard located right behind the ticket table at the main entrance. You are welcome to use it, but for security reasons, we ask that you bring your own lock.

As you know, we provide all the standard beverage mixes as well as water, orange, and cranberry juice. You are welcome to bring any other mixes that we do not provide, such as clamato and any garnishes, if desired. You will need to bring your own ice. We recommend that you bring 14 (5lb) bags of ice. There is a freezer that is located across the bar in the prep room that you could use for storing your ice. The prep room is also yours for the night. You can store all your supplies in this room; there is also a cooler for you to use for all your perishable items.

At 1:00 am the bar and the music will shut down (last call at 12:40). At this time, we ask that you take down all your decorations. Our bartenders will provide you with garbage bags (as well as pails & rags if required) to wipe all the tabletops. We kindly ask that you stack chairs if possible. Brooms (a mop and pail if required) will be provided to clean big debris & tickets off the floor, because if they get wet and are left on the floor they will stain.

Washrooms: we understand that washrooms get used however you will be responsible to clean any "overuse" such as vomit or excessive uncleanliness. Items such as floor stains, confetti and/or washrooms may affect the return of the damage deposit.

Your \$400 damage/hold deposit will be reimbursed by accounting within 14 days of your social.

We ask that the building be vacated by 1:30am (including your DJ) to avoid penalty on your damage deposit.

I acknowledge and accept the terms on pages 3 & 4 with the full understanding that failure to comply will result in the forfeiture of the \$400 deposit and the possible early closing of the event.
